DEEPEN YOUR BIBLICAL

KNOWLEDGE AND

UNDERSTANDING

NEW ZEALAND DIPLOMA IN CHRISTIAN STUDIES

LEVEL 5

Do you feel God is calling you into church leadership or pastoral ministry, or just want to develop a greater understanding of God in your everyday life as a Christian?

Whatever your purpose is, studying the NZ Diploma in Christian Studies will build a deep foundation in your life, and prepare you for a lifetime of Christian ministry and influence in the workplace.

STUDY

FULLTIME

1 YEAR - INTERNSHIP

You may feel God is calling you into church leadership or pastoral ministry. Or perhaps you want to develop greater understanding of your faith to help in your everyday life as a Christian. Many school leavers or tertiary graduates choose to take a 'gap year' for biblical training, to grow in depth and understanding of what they believe.

If you would like to stay in your home church, you can do so by being involved in an internship. This consists of six core papers (by block course and self-study) plus a ministry internship in your local church or Christian organisation working 15 hours per week (a minimum 500 hours over the year).

A blended approach will be used with the students learning through a mixture of self-study, block courses spaced through the year, individual tutor contact, work-based learning, and online learning.

In block courses you will receive quality teaching from our amazing lecturers, giving you in-depth biblical and theological understanding, without having to learn everything out of text books. You will also develop ministry skills such as preaching and leadership.

INTERNSHIP REQUIREMENTS

Acceptance on to the programme will require evidence of:

- An appropriate internship in a church or Christian organisation
- A clear role within the organisation for the duration of the programme
- A Vision College approved mentor and a supervisor who is available to support the learner's progress.

Work and Study Hours

The course is fulltime, but taught within an internship. The placement should be at least 15 hours per week (minimum of 500 hours per year), maximum of 24 hours per week*. Study can be expected to take 15-20 hours per week.

**Hours negotiated with your church/organisation*

STUDY PART-TIME

3 YEARS

Complete the diploma without changing your work life using the flexi study option (part-time).

You are passionate for God, busy in life, serving in your local church, and would love to study at a Bible College, but taking a year off is not practical? With our block course weekends you can receive the same powerful teaching that our fulltime students receive, but with minimum disruption to your employment.

Stay in your current role and study the NZ Diploma of Christian Studies part-time through block courses, online support and interaction. Work with other students and well known pastors to help you grow in both knowledge and your personal relationship with God.

The programme consists of 8 papers delivered at block courses over three years (2-3 papers per year). You will receive quality teaching from our amazing lecturers, giving you in-depth biblical and theological understanding, without having to learn everything out of textbooks.

BLOCK COURSES

If you are working fulltime, our weekend block courses are designed for people just like you. Students complete two or three weekend courses, together with required assignments. The weekend block courses run from Friday lunchtime until Monday lunchtime (NI) and Thursday to Saturday (SI).

After three years (8 block courses) you will graduate with the NZ Diploma in Christian Studies Level 5. The weekends feature excellent speakers, awesome worship and wonderful fellowship. Expect to come away from each weekend inspired and with a deeper understanding of the Bible and ministry.

EXTEND YOUR LEADERSHIP INFLUENCE

The NZ Diploma in Christian Studies (Level 6) is an intensive leadership development programme that has been designed for people who feel called to be involved in leadership roles in the workplace and in Christian ministry. It is a fulltime year of study, with an internship, that follows on from the New Zealand Diploma in Christian Studies (Level 5) or equivalent.

Having established a solid biblical and theological foundation in your earlier qualification, the NZ Diploma in Christian Studies (Level 6) now focuses intensely on growing you in your leadership knowledge and skills.

We complement topics such as Leading Teams, Strategic Leadership, and Leading and Managing a Church, with Theology, Pastoral Studies and Contemporary Leadership Analysis. The Making of a Leader paper takes you deep into your personal journey of leadership development.

Work and Study Hours

The course is fulltime, but taught within an internship. The placement should be at least 15 hours per week (minimum of 500 hours per year), maximum of 24 hours per week*. Study can be expected to take 15-20 hours per week.

The internship provides an opportunity to put your learning into practice and gain stronger ministry experience. Students usually complete the internship in their local church, although alternatives will be considered. Internship placements must be approved by the College.

The internship requires a mentoring component to ensure that the learning takes place in a supported, evaluated and safe environment. The mentor must also be approved by the College and will usually be your Pastor or significant leader.

*Hours negotiated with your church/organisation
